**RE: A Note on the Passage of SQ 788 in Oklahoma:**

Indian Country is a different jurisdiction than the State of Oklahoma. Passage of SQ 788 does not legalize marijuana in Indian Country. The Seneca-Cayuga Nation will continue to abide by guidance from the U.S. Attorney General's Office. Until and unless the Department of Justice reclassifies marijuana, it will remain a schedule 1 narcotic and treated accordingly. Do not bring any illegal drugs to Seneca-Cayuga Nation property. This includes the Nations Headquarters, Ceremonial Grounds, Community Center, Grand Lake Casino, smoke shops and any other holdings of the Seneca-Cayuga Nation.
